They blocked me so here's the post

Prostasia Foundation
@ProstasiaInc

We are pleased to announce an addition to our team! Don Delano will be joining us in 2020 as Development Officer. Don's experience straddles academia and industry. Last year he appeared in the Florida Legislature to testify about its sex doll ban. Welcome! buff.ly/39bEHVb

yikes

Don Delano

Don Delano is a sociology graduate student at the University of Central Florida. His focus of studies include relationships, sexuality and inequalities. Don is also owner of Mon Amour Toujours an online store which offers "sex dolls" to customers worldwide. He is well-respected in the "sex doll" community for his knowledge about the products and outspoken stance on current "sex doll" bans. In his free time Don enjoys acting and spending time at the Orlando theme parks. Don will be managing the Prostasia Foundation No Children Harmed program as well as contributing to the Prostasia blog.

Petitioning the UN in defense of so-called "Loli", short for Lolita, which are sexualized drawings of young girls in the style of what is legally known as "Jpanimation"

I'll spare you the picture but this is a doll made to look like a young girl!

Description

Steffi is just the girl to make your fantasies come true. Steffi is 4'11" and available in two different body sizes:

B-cup 57 lbs and measurements of 27-20-30 (pictured)
D-cup 59 lbs. and measurements of 30-20-29

6YE is a premium TPE doll and has features most other TPE dolls do not have. Steffi's special features are:

- Ball joint skeleton
- Enhanced finger-bone tip design
- Hinged neck
- Realistic vagina and anus openings
- Quick head connector

Steffi's love options include vaginal, anal and oral. If Steffi is the right girl for you add her to your cart now. **She will arrive with one pre-selected outfit and cleaning kit. Please select cup size, vagina type, hair style and cup size before adding to cart.**

The Woody Allen quote (even in it's irony) is absolutely true. Adults don't understand "love". Throwing emotions in the mix is the biggest part of the issue. We have to disassociate emotions with human nature.
